RE: ENGLISH PROFICIENCY FOR MR. ADAMU KASSIMU MNDEMBO
REGISTRATION NO. 202010057

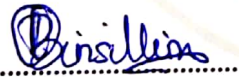

This is to certify that the language of instruction at this University is English. In fact English is used as a medium of instruction in all institutions of higher learning in Tanzania.

The above named was our student who pursued three years course in Bachelor of Business Information Technology. He took English Communication Skills course and Business Communication course, he passed very well in his final examinations. I am sure that he is competent in English in terms of communication and understanding [writing, reading, listening and speaking].

As his academic track records are very good, I strongly recommend him for the programme he is applying for.

Best Regards
